line manager | direct / Indirect reports view

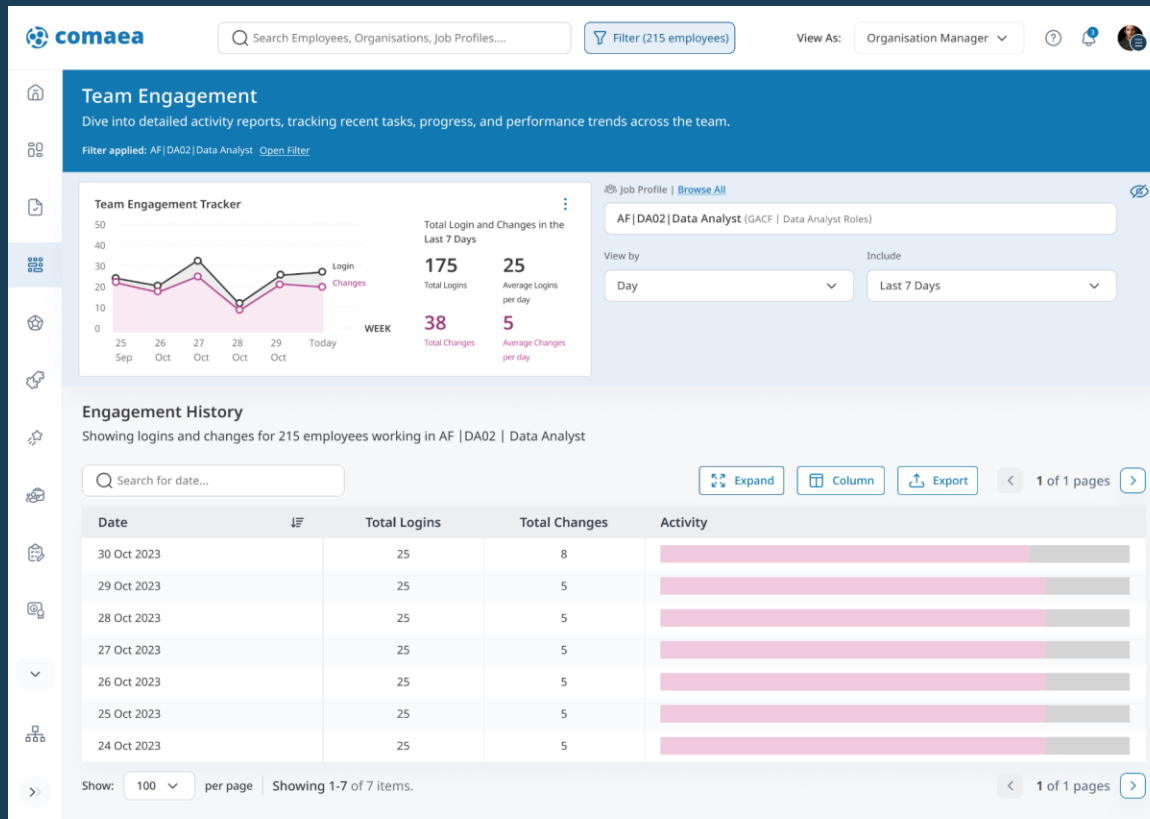

- ✓ Line Manager view previously showed direct reports, it now show's both direct & indirect reports using the toggle

The screenshot displays the Comaea Line Manager interface. At the top, there's a search bar and a filter for 1500 employees. The 'View As' dropdown is set to 'Line Manager'. A welcome message for Connor is shown, along with a toggle for 'Line Manager'. Below this, a section titled 'Visualizing global statistics for 1500 employees' includes a filter for 'GORS, Major Projects, Completed Assessment'. The main section is 'Employee list', which states 'These are the employees you line manage'. A toggle for 'Show Direct Reports Only' is present. The table below lists employees and their direct reports.
