

release notes – C11.11.2.2

C11.11.2.2 release notes | April 2026

- ✓ Competency Health Widget
- ✓ Team Engagement
- ✓ Language switching between C10 & C11
- ✓ Functionality to show & hide reports and widgets
- ✓ IDP updates for Swedish Clients

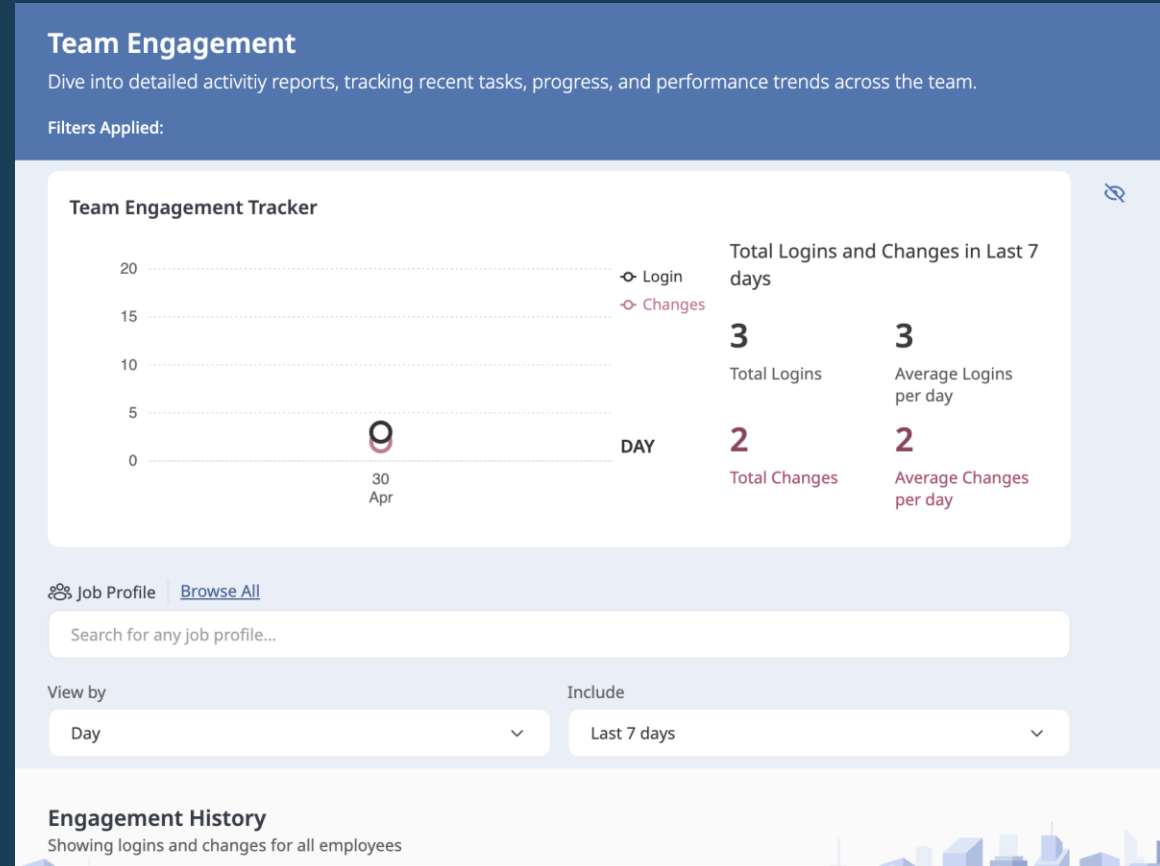

dashboard | Competency Health

- ✓ Widget has been moved to top position on the Managers Dashboard giving prominent positioning

Platform | Team Engagement

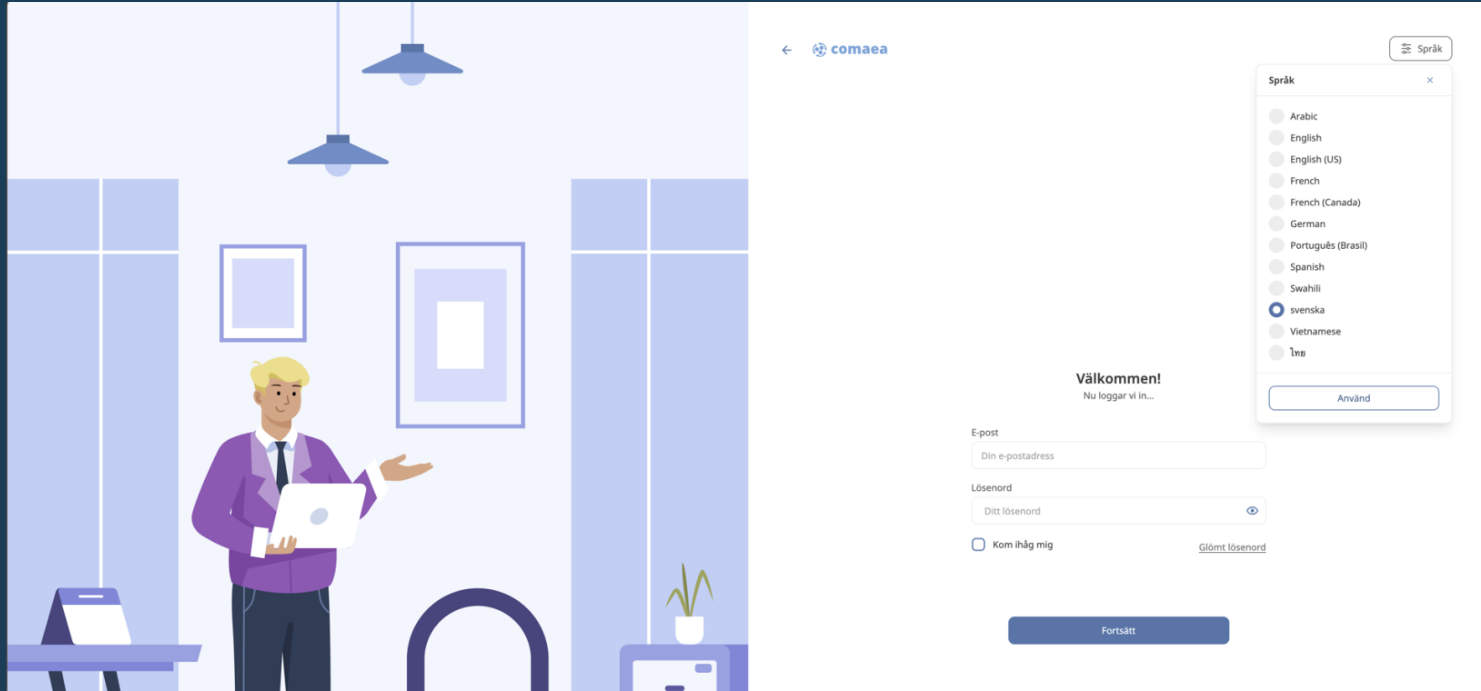

- ✓ Updates to Team Engagement page ensures continued real time data

Platform | Show and hide widgets & reports

- ✓ Customers are now able to ensure functionality within the Platform that is not yet used, tiles on Dashboards can be hidden until launching

Platform | Language

- ✓ C11 users are now able to set their language preference at the log in page rather than within the account settings page after log in, giving users full language preference upon log in.

IDP Updates | Swedish Clients Only

The screenshot shows the 'Utveckling' (Development) section of the Comaea platform. The left sidebar contains navigation links: Hem, Dashboard, Kompetenser, Certifikat, Lärande, Utveckling (highlighted), Karriärväg, Portfolio, CV, Dokument, and Sajtlista. The main content area is titled 'Skapa/redigera plan' (Create/edit plan) and includes a progress bar with five steps: 1. Översikt och tidsplan, 2. Diskussionspunkter, 3. Mål och Aktiviteter, 4. Avstämning, and 5. Granska och godkänn. The first step is active. The main form area is titled 'Översikt och tidsplan' and contains fields for Startdatum (21 Apr 2026), Slutdatum (21 Apr 2027), Plan template (Medarbetarsamtal), Plan, namn (Medarbetarsamtal), and Din chef/ansvarig. There are buttons for 'Kommentar' and 'Dokument'. At the bottom, there are buttons for 'Ta bort plan', 'Föregående steg', and 'Spara och nästa steg'.

- ✓ IDP aligned for Swedish client use to enable transition to C11
